“ Gary & I were so saddened to hear the passing of Mrs. Dorothy. I can't remember a time seeing her she didn't ask about our kids and grandkids. And, would always say "bring the babies to see us" we lived her and will miss her. Praying for Mr. Billy, Sharon, Beverly and the family. God Bless.

“ I remember Mrs. Dorothy well from my visits to Landmark Missionary Baptist Church. She always had a smile on her face, and never failed to speak to me. Just know that she is in a far better place. Praying for the family.

“ I don't know where to start on this. Over 40 years ago Dorothy kept a man from attacking me when we stayed late at Bobs Beauty Salon for me to highlight her hair. The Lawson family were like family to me. I have never meet or worked on such a lovely young lady as her Granddaughter Jodi who went to be with the Lord at age 17. I went to her sister Joann's house to do hair after she got real sick before she passed away. Her son Larry shared so many things with me when I cut his hair or sometimes he just called me. Larry was like a son to me. Her Mother Mrs Irene was a special customer of mine even after she went to the nursing home. My daughter was like a Nanny for Beverly and Brads boys when they were little. I could write a book but will stop. The last time Dorothy made a comment on Fb to me was she would love to see me. So sorry I haven't made it back to Forrest City. All of my Love to the family. “ I meet MS Dorothy at Landmark Baptist Church she and I just boned and became very close friends. She was an awesome Lady she could make you laugh so hard by saying something that was funny. She was the type of lady that said what was on her mind and she did not care if the truth hurt. I think that is what made me love her so much because she was honest in our friendship. I'm going to miss you my dear sweet friend until we meet again love you. To you family I'm praying for you all and I'm so sorry for you loss.

“ To the family,

I had the privilege of working at SWB with Dorothy. Being young, new to operator services, she became a friend and mentor helping me to learn. She will be remembered for her caring and giving spirit even after we left SWB. My prayers are with each of you during this difficult time.
