“ I met Mrs. Gray while receiving services for my car at Gray’s Service Center in Forrest City, AR. She took me back to work many times when I left my car at the station to be serviced. She was friendly, kind, and caring, as was Mr. Gray. I will never forget the kindness shown to me by them, their son Rob, and the staff at the center. They were a blessing to me for many years. It was truly a “service” center. Rob, I am praying for you and your family, asking God to fill the void with His love, and comfort you in the days to come.
Sincerely,

“ For Mary Ellen's Children and family.
I am Mary Ellen's sister-in-law.
I share a memory of Mary Ellen's kindness when several years ago my son was killed in an automobile accident. Mary Ellen found innovative alternative ways to offer encouragement, Her soft voice and kind words were as a healing salve placed on a wounded shattered heart. I didn't see her often but when I did she would give a tight hug and softly whisper concern for my well being. I cherish this memory of my sweet sister-in-law.

Mary Ellen honored my brother. She adored her children, She loved her grandchildren. She laughed often. Mary Ellen enjoyed life and living.

I am so very sorry for your loss.

She was lovely. I will miss her.

“ To all of her dear children and family...

I met Mary Ellen and got acquainted with her in 1966 when we both were young single Mothers with children to raise and care for. She was and has always been someone that I admired and considered as a friend. In the following years as all our children grew and became adults and some became and still remain very close friends, I want you to know that I count all of you as a beautiful testament to her. You are who you are because of who she was. I will be praying for all of you as you mourn her departure from this life.
