“ Varner family, sorry for the loss of Mr. Orval . My husband remember him visiting across the street at John Ellison store many years ago. He also talked about him owning a store at Pine Tree. Many memories for his family to keep in their heart.

“ Orval was a very special person to Roger, Jeff, Dennis, and me. He was always friendly and loved to talk. Roger and the boys had very fond memories of him working at the university with them, and at the store when they would stop by. We were just wondering about him last weekend, and all repeated stories he would tell them about being a tank driver in the war. They all had their favorite story about working with him on the experiment station too. You all have our sympathy. I know he will be greatly missed.

“ I was so sorry to hear of Uncle Orval's passing. If I had known I would have come to his funeral. I hope the little quilt I made for him has been passed on and provides a comforting memory.
