“ Dear Debbie and Family,

I was so sorry to hear about Stephen's illness and then his death so soon after. My heart hurts for all of you as I know this is a big loss. Stephen served our family so well for many years professionally but was first and foremost a trusted friend that we went to for guidance. I know many others in the community are grateful for his help as he tried to help them recently navigate the PPP relief and will never forget him! I remember you dating in high school and your wedding--what a blessing to have had a lifelong partner that shared so many memories.

My thoughts and prayers are with you as you deal with this loss. I know Stephen's kindheartedness and sweet spirit will live on through all of you.

“ Debbie, Ben, Becca & Laura Ruth I Hurt. What I know about Stephen I like & love. When Susan & I came to Wynne in 2000 the Meyers were, maybe, the first people we met & it was a blast after that. Our life in Wynne was all the better because it had Stephen in it. Thank you for letting me/us into your orbit. He was funny, professional, smart as a whip & did I say funny. Wynne lost an icon but I lost a good friend & unfortunately you lost a husband, father & grandfather. All my memories will be those that lift my spirit & give me a smile. I know your memories eclipse mine but hold on to them as you travel through the days ahead. Love you guys & wish you God's Peace!

“ Stephen “Stump” Meyer a very good friend and fraternity brother at SCA, he was patient helping many of us pass accounting classes and we enjoyed listening to Derick and the Dominos especially the song Layla. Stump and Debbie were always the best together.

“ Debbie, Ben, Becca, Laura Ruth and families, we share in your family's loss. Our families have so many ties going into four generations now and Stephen was beloved by all of the Spence family. I'm trying to remember a time that I don't remember Stephen because he was often at our house when I was little and he was just like one of the family. He was the epitome of a loving husband, father, and friend and our heart aches for you all at his passing. You are all in our hearts and prayers for grace and peace at this hard time. Know that so many people in our community had the highest regard for Stephen and his passing leaves a void in the hearts of so many here. I like to think that his friend Van was waiting for him with a Wynne Yellowjacket jersey. Much love to you all from the Spences.

“ Stephen and I were in the same fraternity in college. GREAT GUY. Very popular. A real leader. Mature beyond his years. He touched many lives during our college years including mine. For those of us who knew him in college there was never any doubt that he would be a wonderful husband, father, businessman. And he was. It has been an honor to call him my friend.
