“ Uncle Billy was the last of the four. I heard about his passing today, which is his 86-th birthday. Many fond memories of Uncle Billy and Aunt JoAnn going back as far as I can recollect.

May he Rest In Peace and I pray for a speedy and complete recovery for Aunt JoAnn.

“ Uncle Billy I just found out tonight that you passed away. The last of four wonderful brothers. You were with me and my mother the night my daddy Jimmy passed away. I will never forget how kind loving and gentle you were to us. I talked to you not to long ago and you told me your house burned down and you needed my mother Patsy Grobmyer’s phone number which I gave to you. You said y’all were rebuilding. I’m so saddened by your passing. You will always hold a close place in my heart along with my mother Patsy. She has a great picture of all four brothers which she proudly displayed in her home. She will be 90 on April 6. I will tell her tomorrow of your passing and it will be a sad time for her. I’m sorry to here Joann suffered a stroke after your passing. Our love goes out to Becky and the family. I love you and I will miss your sweet kind and gentle way. All my love and my mother’s love.
