“ We are sorry that we cannot attend the visitation for Sita. She was a special person to both of us. She and Martha Ree were longtime friends & members of "the Lunch Bunch". Al's association with the DeRossit family goes back over 70 years, when our families lived across Division Street from each other. Both of us have many warm memories of times together with Sita (& Rip). Even though we cannot be there in person, we will be with your family in spirit. Heartfelt condolences to all the family, Al & Martha Ree

Sita meant so much to me she taught me so much about life and banking. She was a great mentor to me and I will never forget her. She will always be fondly remembered and a part of my heart. I will always smile thinking of her. She was a true Sweetheart. She was a great lady and took me under her wing when I was barely 19 years of age. I enjoyed working with her at the FNBEA IZARD street branch. She will be greatly missed.
