“ Anna raised me and taught me valuable lessons that I didn't realize were important at the time. I recently learned of her passing, and I regret not being there for her. Despite the limited contact we have had recently, I am grateful for our reconnection. I will always be thankful for the impact she had on my life during my childhood.

“ I just learned of Ms. Anna's passing! We were acquainted through girl scouts. she was a precious soul, my daughter and I loved her. I lost touch with her after she moved. Merry Christmas in Heaven Ms. Anna.

She was a precious person, that's for sure. I've known her and her family (her brother, Mitch, was my best friend) since I was 21. I was also particularly fond of her mother, Cathy. Mitch sure loved his sister, and she loved him, too.

“ Anna was a kind, loving, and gentle soul. The world will seem a little less bright without her in it but heaven is gaining a shining star. We will always love you, Anna.
