“ *I remember when I worked with Art at FCC Forrest City. It was my first Correctional Worker Week and we were discussing who was going to do the cooking. I didn't know many people then but a voice spoke up and he said Captain, I'll cook. During that time I got to know Art on a professional level and enough on a personal level to know I had just met a man who loved his family dearly. Art was a great man and a great coworker and might I add one real good cook! To the family, I offer my sincere condolences and I have you all in my thoughts and prayers. To Art, rest easy my friend and know that you will be missed by many. To the staff at FCC Forrest City, my condolences to you as well and many prayers for all of you! This breaks my heart, Art was great family man and friend! 🙏🙏🙏*
