“ My wife and I lived next door to Barbara for four years in the late 1980s when our 2 boys were young. Barbara was a great neighbor to us and like an aunt to our boys. After we moved in 1990, we would always stop by and visit her when we were coming through Arkansas. She came to our home in Tennessee several times over the years for Christmas and other special occasions. She was quite an athlete in her younger years and had many trophies for bowling and golf. We loved Barbara and will miss her very much. The Rob Martin family

“ We lived next door to Barbara for several years in Widener. When we moved away, we continued to write & visit her. Barbara never forgot our birthdays or anniversary. She sent cards to us and our children every birthday. She also bought us each a small gift at Christmas. Barbara was a very giving, thoughtful person. I will miss her.
