“ *Barbie James was my friend. But then again, she was a friend to everyone. She worked tirelessly for the FCSD and FCHS. Students greatly appreciated her friendly smile and helpful assistance in the library and certainly the teachers greatly appreciated her help with computers for the classroom. She was the kind of person who never said no if you needed her help. She was truly a great person, and the FCHS certainly had a huge hole to fill when she left/retired. Unfortunately, EACC only got a glimpse of her greatness in the short time she worked there, but I know for sure, she also had a huge wonderful impact up there in the President's office. God bless you Barbie...we loved you and will miss you terribly. Rest in peace our friend in God's arms. Prayers for the family and other friends. She truly will be missed...*

“ I have known Barbie for over 30 years and her parents before that. What a wonderful, dedicated person and Christian. We served together in District UMW offices and activities, Annual Conference activities and now was ready to serve with her again on the Conference UMW team. I am so sad and give the family my condolences.

“ Deepest sympathy to your family in the loss of Barbie. I have great memories of her when we worked together in United Methodist Women. I was looking forward to working her again this year when she agreed to serve on the Arkansas Conference United Methodist Women's Committee on Nominations. We will miss her knowledge and experience in the role she would have served. God be with you in the days ahead.

“ I'm so sad to read this news. I worked for 21 years in the United Methodist Conference office and Barbie was a "fixture" at church events and functions for much of that time. She was always smiling and welcoming to everyone, and a joy to be around. "Well done thy good and faithful servant."

“ Barbie was a devoted library advocate. She dedicated years to the profession, in active roles as well as behind the scenes.

I served on the Scholarship Committee with Barbie several times. We also served and worked together on many conferences with the Arkansas Library Association throughout the years.

Her list of accomplishments is extensive. Barbie served her profession with her education, knowledge, experience, commitment, and dedication.

My condolences to her family, her school and library colleagues, and friends in the library communities across the states.

“ Barbie was our North Star. She was always there for her friends. I considered her one of my best friends. She never forgot a birthday or special occasion. She was a leader in the library world for many years and served as president of the Arkansas Library Association (ArLA) and the Arkansas Association of Instructional Media (AAIM). Our tragic loss is Heaven's gain.
