“ *Gayle and Stan,
My sympathy concerning the loss of your mother. I share your grief as I lost my own mother three weeks ago. We can take comfort in knowing they are with God now, not suffering, but basking in His glory.*

I pray God will send you peace.

“ *I met Ms. Halford when our church started having services at the nursing home several years ago and instantly fell in love with her. She worked with and knew my Grandma Modean a long time ago so we had a connection. After a while, she insisted I call her "Mama Stell". There were many times that I would sit and visit with her for hours. I can still hear her singing "I'm a glad pilgrim on my way, going to the Glory land...". She will be greatly missed by so many!*
