“ Mr. Wheeler was the best teacher at FCHS, hands down . He had a kind , gentle way of encouraging even the most “at risk” students (LIKE ME) to try to push our selves and to not give into the poverty , drug use and gang life that was -and still is - ab ever present threat in Forrest City .

Thank you for leading the DECA program , thank you for truly caring about the students under your guidance and thank you for the encouragement. R.I.L to one of my first mentors ☐

“ *Lewis and I started out in first grade together and graduated
together. He went on to teach my son, Stephen and took a good
interest in him. Lewis always treated me in a gentlemanly manner
and I really admired him. May God bless his family during their grief.
