“ I remember renting a house from uncle Burt he would always stop by and make sure everthing was fine. (my husban was gone on the road all the time) I could always count on Uncle Burt to do what ever needed to be done. One night my husban sister which was 12 at that time was having all girls sleep over and we was in the living room playing games unlce Burt stop by to check on us and there was a small window in the door he knocked and one of the girls saw him and was scared she screamed and ran. WE all had a good laugh that was a night. Uncle Burt was a very special uncle and he will be missed.
