“ *Mrs. Beazley and I worked many years in the Forrest City school District together. She was always very positive about any situation. We also worked together in Master Gardners. In fact, the week she went into the hospital we talked every day about the organizations by-laws. She would end our conversation every time saying something nice about me. Loved her, she will be missed. Prayers to her family.*

“ I am sad to hear about the passing of Ms Betty. She was always positive and encouraging as I recall. She was one of those who helped raise the neighborhood kids and supported us in the church youth group. My thoughts, prayers and love go out to the family.

“ So sorry to learn of Betty's passing. She was a lovely lady who I had the pleasure of knowing both through First Baptist Church and SFC Master Gardeners. She was always pleasant and kind, a true inspiration. She will be missed.
