“ We extend our deepest sympathy to all of the family . I have known Billy for a long time . We were in the National Guard in Forrest City for several years until I transferred to Mississippi in the early 70's . In 2011 Pam Burns told me since we were moving to Hot Springs , AR and that Billy was selling real estate and sold for Lake Hamilton Real Estate . We contacted Billy and eventually bought a house in Hot Springs Village from him . We remembered all of the times that we had in the guard and going to Fort Sill , OK and Fort Chaffee , AR . We have asked about Billy many times and just recently talked to Henry Dale about Billy at our High School Reunion in Heber Springs , AR on March 3rd . Billy was a wonderful person and will be missed . My wife , Addie and I really enjoyed working with him and buying a home from him !

“ *We extend our heart felt sympathy to his wife Trish and all the family. We only knew Billy through our dear and precious friend, his wife, Trish but liked him very much and enjoyed the times we spent with them. We were happy for them both after being alone for years due to death by cancer of both of their first spouses, that they met and fell in love. It is tragic they had such a short time together. Lovingly,
John and Elaine Rowland*
