“ We will miss Brenda dearly. Our families have known and supported each other through the years, that the bond is that of family. She, like her sister Bobbie Anne, was always willing to do whatever she could for anyone. I loved being around her because no matter what, she would always make you laugh, smile and leave knowing you had a friend for life. I am sure she has her wings and is, once again, watching over all with love in her heart. Our love and prayers to the family. Love you all.
