“ Bryan and I knew each other in school. He always wanted me to sing at church, colt baptist. I sang his song without hesitation, we cried. He also worked on his testimony, he would text me and tell me how thankful He was that God had saved him. We would text of God's grace. He loved Jesus. I will miss texting him. But I will talk to you Bryan when Jesus calls me home, we will sing at The Throne together and Worship our King. Thank You Lord for Your grace
