“ *White County Medical Center was blessed to have Mr. Calvin as a volunteer. His sweet smile and kind spirit always lifted my day. His gentle nature helped patients and their families find their way through the hospital. He will be honored with a Memorial Leaf on the Unity Health Foundation Tree of Life for the 1578 hours of service he dedicated to our patients and community members. He was a true gentleman and we have missed him since his move several years ago. We love you Mr. Calvin. I have no doubt you are serving our Master in Heaven.*

“ *Diana, Ada wanted me to send her sympathies and thoughts to you and your family at this time. I know that she would have loved to be there tomorrow, but is impossible to get her there. I know she sends her love to you all as do the Clemens family.*

“ The last time I saw Calvin, I took him a banana and he ate it all. We sat in the hallway and visited with other patients. He seemed to know me that day and we enjoyed the visit. I loved that man.

“ I first met Diana in 1973 when we both enrolled at Arkansas State University in the College of Communications. We continued our friendship as active members of our sorority, Kappa Delta. Diana inherited her precious personality from her Dad. Every time I was with Diana and her parents, he certainly lit up the room. Prayers for peace and comfort, Diana. I know your heart is hurting.
