“ In the months I was able to help take care of Mr. Bradshaw, taught me to become caring, compassionate, and patient. He made me laugh, sometimes I cried, although not in front of him, and most of all, found that I can love the person I help take care of. He will be missed.

“ *Well I worked for Mr. Charlie for a couple of years delivering office products during my junior and senior years in 1989 and 1990. Honestly some of my most fond and fun times. I never dreaded coming to work or working a little after hours. Mr.s Bradshaw, Pam, Beverly, Tillman, and of course Mr. Charlie was like working at a comedy show and getting paid for it. I hate to hear of your loss but that man made a difference in many a people's life and I can attest to that for my own. I love you guys and you will be in my prayers.*
