“ *Eddie was a super nice guy. I can remember having an issue with my car many years ago and out of several mechanics, Eddie was the only one who found and fixed the issue. Had one of those smiles that put you at ease and made the day a little brighter. May your memories bring you peace.*

“ Oh, there are so many where do I start. I've known Eddie for about 45 years. He introduced me to Gerry and we all used to run around together. He was the best man at our wedding and Julie was my maid of honor. Spend many weekends at Cricket Cove in Heber Springs and endless hours on the lake. Can't remember a time when he wasn't a part of my life when I lived in Forrest City and have stayed in touch since. I just wished him a Happy Birthday earlier this month. He had caught up with me. Charlie, Dee Dee, Julie, Abby, Thomas, Joey and the rest of the family I'm so sorry for your loss. Eddie will be missed by many as he touched so many lives in his life. I love you all and will miss Eddie.

“ My deepest sympathy to the family. Eddie was a great guy. Hey was a friend. Back in the day I used to go on his midnight paper route with him. I will always remember him. Praying for the Brown family.
