“ Daddy-

I love you more than words could ever express. The grief over your ring gone is inexplicable. There's so many things I still wanted you to see and memories I wanted to make with you and time was cut short. The saddest part is that time was cut short many years ago. You forgot pretty much everything before you left the Earth but it was okay, we understood. While the sadness is overwhelming, the joy that I feel knowing that you're now fully restored, remember everything and can now watch over us in ways you couldn't do anymore. I'm so jealous of you, Daddy, cuz you get to dance with Jesus now! You get to see God face to face! You get to spend the rest of eternity praising Him in person! In that, I find comfort and peace. You were the most amazing person I have ever known and absolutely no one could ever take your place or even hope to fill your shoes. Thank you for all the wonderful memories and for showing me love like only a father could. I love you!
