“ Son, you left us too soon. Our hearts are so empty. I wish we could have done something. You made our lives complete. We want you to know how many people have come by and sent flowers. We are getting a head stone for three people so you can be between us forever. Words can't describe the pain You were our first son and we will never be the same. Rest in peace baby. We love you. All our love, Dad and Mom
