“ Al, I have just learned today of Charlie's death and wanted to tell you how sorry I am. I did not realize he had moved to be near you but I am so glad he did. Charlie and Rita were wonderful neighbors when Larry and I lived across the street from them there in Forrest City, and they were such good friends. We enjoyed their coming to Newport to see us from time to time. Again, let me say I am sorry about this and I wish you the very best. Sandra Pankey
