“ *I'm blessed to have a lot of wonderful memories of Charlie. The one is special to me is every time I visited Charlie would say " you know the best part of your visit is watching those tail lights when you leave".. and I'd tell him "you know you love me and will miss me". He was always giving me a hard time and that's how you knew Charlie liked you. The last phone call we had we each told the other I love you. He always sat on his porch to watch my tail lights as I left..I sure hope he can still see them from heaven cause I'm still going to say Charlie you know you love me and I miss you*
