“ He dedicated me to God. He and Sis. Reagan have loved me for my entire life. Always there to listen, laugh, and cry. They always made me feel welcomed and special. He recorded me singing Shepard Boy and had it as my ringtone. My heart is heavy and the selfish part of me aches, but I rejoice that he is no longer in pain and he is worshipping along side other saints in heaven. I look forward to joining him when God calls me home.
