“ I won't grieve too much for Collie because every time I think of him I remember the smile, the laugh, the walk, and the willingness to do anything for anyone. I experienced it first hand when I moved to Forrest City about to enter the 11th grade in the summer of 1962. Collie and Buzz and a few others made me feel so welcome and at home. So the memory of Collie I will always take with me, and the eternal impact he will have on me, is a happy, positive memory of a wonderful person. I'll miss him, but I'll do it with a smile!

“ Claudette, Ashley and Wesley,
It's been many years since I've seen you guys, and I've just learned of Bro. Collie's homegoing. My heart is saddened by his passing, however, I'm rejoicing that he's making heaven that much sweeter. I have fond memories of him serving in the bus ministry and leading out at FBC when I was a teenager. His witness has had a definite impact on my life and I thank God for him. My prayers are for you doing these days. Our Lord is faithful to sustain you.
Love and prayers,

“ Collie was a good friend my entire life and will be missed so much. I can remember such fun times at his house, at parties and at church. One of the best times was planning the Easter sunrise service for the whole town! He was the leader of the group with such good ideas. What a great person he was. Love to his family and know that we are holding you in our prayers during this sad time.

“ Collie was a teacher that I will always remember as someone with a caring heart and wanted the best for everyone. He touched many lives, as a FCHS class of 70 graduate I truly will miss him as many of my classmates. Once again this week we have lost another member of our extended family. Rest in peace, Collie God Bless.
