“ Mr. and Mrs. Dalton, my memories of Curt go way back, probably close to 40 plus years. That’s one thing about a small private school, pretty much everyone knows everyone. It’s like a big family. Even after graduation being in a small town you’re always able to keep in touch. Through MoSt Church of Christ, running into you Mrs. Dalton at the Revenue Office, or Mr. Dalton at the Animal Hospital taking care of his Labs. I wanted so badly to be there today to show my love, support, and respect for Curt, and to give you both a big hug, but unfortunately I came down with Covid. Please know that I will continue to lift you both up in my prayers.
Love you both,
Kim Baskins Bloodworth

“ I’m heartbroken about the loss of Curt, and I know many others are also. He’s been a pretty constant part of my life for almost 40 years & he’ll be missed so much. Curt was an only child but had many brothers & sisters...and I’m blessed to have had him as my big brother. He had the innate skill of creating & keeping friendships. He was rowdy, he was outspoken, he was hilarious, loved to argue (comically!) as much as I do, and he had a very kind heart. He was protective of anyone he cared about & didn’t like his friends to have disagreements or hold grudges ... he wanted everyone to get along. He’s a huge part of my memories & my circle of trust. He’ll never be forgotten, because he’s truly loved by many. 💙

“ I have always loved Curt. He was 5 years old when I first met him. We grew very close through the years and he was one of the sweetest kindest people I have ever known. He had a heart of gold. My grandchildren loved their Uncle Curt. He will be missed very much
