“ Danny Clark was one of my best friends in High School, Though he did not play basketball on the Forrest City High School team, he was "the best" player in our class, and I played with them all! Just seemed like he was a "natural"! I never witnessed Danny saying anything bad about others. He always had nothing but good to say about everyone. Seemed to be everyone's friend. I was honored when Danny asked me to be his Best Man when he married Pam, whom he loved so much!

Through the years as I moved around and out of State, we lost contact, but I never forgot his easy going ways and his love of family! He made a great impact on my life and I have never heard anything but great admiration for this fine man and classmate! Prayers for you, Pam, and your lovely family, I know he will be missed immensely.
