“ I remember David from our school days, he was one of the nicest guys I knew. He always had a smile and giggle to share. He would come to my house and take me for motorcycle rides when we were teens. He always laughed when we'd ride on Bear Hill Road because I would hold on to him so tight going around the curves. He was my big burly bear with his thick dark curly hair, he was always a good friend. I hadn't seen him since our school days. I'm so sorry to hear of his passing, he was one of the best. Prayers to his family.
