“ *David was married to my daughter. He was an amazing son in law during that time we all bonded with him in such a way that even after their divorce I still considered him as my family as did he. We talked often visited often. He will be missed greatly. Prayers for his children Jacob, Carly and Jenna. May God give you peace and comfort.*

*David worked for us many years. A fine parts man and and even better person. Had a wonderful fun loving personality.  
He will be missed by many.  
Prayers are with your children and family.*
