“ Dee was a very sincere and sweet person, her heart was so full of love for any one that knew her. She was so proud of Chuck and Kim and all the Grands as she called them , her babies was all she talked about.

I have known Dee since Chuck and Troy were in the second grade, close to 39 years, she and I had wonderful memories of our boys growing up together in our homes. This is very hard for me because I know what loss is and I also know how Dee felt about alot of things, she was a Christian person and Loved her Lord, she and I have Prayed together on the phone several times. I know she is in Heaven as soon as she took her last breath here , her next breath was in front of Jesus. I know now she will forever be Happy and will know sorrow or pain no more.

I loved Dee like a sister and will miss her very much.
