“ I can remember as a kid and teenager that he would always sing the song *Country Roads*, and I learned to sing that song because I loved to hear him sing. He might not have had the perfect pitch but I loved it when he sang. Just a reminder to those of us who loved *Donnie Max*. He will be missed.

Kids he was a good guy at least he was to me when I was around him . I am so sorry for yalls loss. Praying for yall.
