“ Mrs. Smith, Candace and family, Sorry for the passing of Mr. Smith. Sending my condolences at this difficult time. Late Stephen and Candace were my former students at the former Caldwell Elementary School, in Caldwell, Arkansas. The Smith's were parents that always helped with all projects in the classroom. Stephen and Candace were in my second grade class, many years ago. Praying for your family. Shirley W, Thorn

“ Donald or Donk as we called him our entire lives was more like an uncle to my brother and two sisters and me. Ironically he was just a few years older than Larry and I but those years made a difference when you are just little kids.
He also seemed to be giving us advice or to share his wisdom with us.
As Larry and I got older and like most young that did military service, we drank our beer.
I can hear Donk now, " when you boys going to give up that drinking. I will be praying for you."
No doubt he prayed a lot for us and never hesitated to tell us that he loved us, even when we were grown men.
Donk, I love you and only wish I had visited you more often in these past few years.
Rest in pease "Uncle Donk."
