“ *Mike & Family:*
This was really a shock to me, as well as it probably was with you all. You are in my prayers. I really liked Donna Faye. We had alot of years together here with the kids. She sure loved her babies (all of them). Gonna miss her a bunch. Last time I saw her at the store, she said she was doing pretty good. You know where to find me, ext 157. or you can email me. I am still out here.

“ I am so very sorry to hear about the loss of Mrs. Donna. I used to work with her at Crowley's Ridge Tech and she has kept my daughter, Sunni, several times while I was attending classes at CRTI. She was a very sweet and kind person with a spicy personality, which I thought was a good thing. I love to see people having fun. I will miss seeing her around.
