“ I just learned of Mrs. Smalley's passing. I have known her since I was in first grade at Caldwell Elementary. She worked with my grandmother, Muriel Chalk. She was my first friend from a different country. As I child, I was captivated by her accent. From that first day, of picking up my lunch tray, I felt safe and loved when she was around. When I married, I sent her Christmas cards every year. My heart sank the year the card was returned to me. I still have the little sweater she knitted for my daughter when she was born, I cherish it. When I return for a visit, when I pass her house, I still look, hoping to see her with her roses. My deepest sympathies.

“ Doreen and I always shared a room when we went to the state bowling tournament and she was a joy to be around. She and I would talk until midnight about different things and about the goodness of God. I am so sorry to hear of her going to her Heavenly home but I know she is with Bob and they are happy to be together again.
