“ *Jim and I could not be with you today. I want you to know that we are praying for your families.*

*I do want to tell you how much Aunt Dorothy meant to me. She taught me a lot as a young married and a young mother. The things she taught me have stuck with me through these 50 plus years. My fondest memories are making fruit cakes around Christmas time for her to deliver to friends etc., sewing sequins on all those dance costumes, and just showing me short cuts in sewing that I have used all these years.*

*She was loved by all of us.*

“ *To the family of Momma Wilson, I am so sorry to hear about her passing. Mark and Donna know that she was a huge part of my life growing up with them, going over there for visits, for a drink of water. She will be missed.*
