“ To Miss Edna Earls family: I spent so many hours in her home taking care of Mr. Smalley when he was ill. I grew so close to the both of them. What a very special lady. She would "make" me sit down and eat and then send food home to my family because I had spent so much time there with them, she felt she needed to help me out since my husband was home taking care of our 2 small sons and I was pregnant. One of the few people (who were patients)that I have stayed in touch with thru the years. I loved her dearly and I know you will miss her greatly. She adored her kids, grands and great grands. Heaven has received a very special angel.
