“ I’m so sorry to hear of Eli’s passing. He and I graduated together. I always loved being around Eli and having classes together. He was smart, caring, and was always one of the funniest guys in the room. He made everyone feel like a friend. He will greatly missed. 💕
My thoughts and prayers go out to the family.

“ I was Eli's math teacher. Just last year he saw me, got out of his car, and gave me a great big hug. He thanked me for all I did to help him in math. He was a charismatic person. It breaks my heart that he is no longer with us to brighten up the day with his smile.
