“ I had wanted my ears pierced for several years, but daddy wouldn't allow it. (My ears would rot off!) After I had started my freshman year at SBC, Aunt Diddy told me “I'll pay for you to have your ears pierced if you don't tell your dad I paid for it.” She purchased a pair of yellow gold studs, gave me \$5.00 for the doctor's visit and off I went to have my ears pierced. I was thrilled! However, as fate happens, my ears got infected!! (I'm allergic to yellow gold.)
