“ About 10 years ago I started coming down every year and going fishing with Elvia'shusband Allen. Elvia welcomed me into her home and made me feel comfortable even though we came in everyday muddy and wet. Elvia and I became friends through the years I would sharpen her kitchen knives while we talked about everything under the sun. She taught me how to make peach cobbler and she would always cook up some fish. Catfishing will never be the same and I will miss Elvia being there.
