“ To the Curiel Family, I wanted to send my sincere condolences to you in the passing of Mrs. Curiel. My father told me about her passing the other day. Mr Curiel, you take care. She is in a better place now --- with my mother. (Heaven just got another special person!) My thoughts and prayers are with you all.

“ Diann, I am so sorry to hear about your mother. After I heard, I thought a lot about some of our "exploits" and how evenly your mother handled us! May the happy memories, as well as some of the more, um, humorous ones, sustain you.

Our thoughts and prayers are with you.
