“ *Scripture brings such comfort in times like these. How neat to know that this is not the end, that to be absent from the body is to be present with the Lord. I am positive that Grandmother White is with her Lord and Savior and that is where she wants most to be. I am thankful to have known her and to have experienced that love and compassion that she is so known for. I'm also grateful for the graciousness and love of her extended family. I know that God must have met her and said, "Well done my good and faithful servant."*
