“ *Dear Brenda and Paula and Family.  
I was very sad to read of the loss of your Mother. Ms Eulene was a very special lady and a dear friend to my Mother, Maxine English. She was really there for my Mother during her illness with cards and calls and offering any help we needed and I will always remember her for her kindness and Christian love. She was also a good friend to my Grandmother Leona Farmer and so we all go back for several years. When I first read the notice my first thought was she and my Mom were together in heaven and having a great time catching up with each other.  
I know there is a empty place in your hearts and it will be there for a long time to come but just remember what a wonderful place she is in now and God is taking good care of her.  
May God Bless you and hold you in his loving arms to get you through this sad time.*
