“ We had lots of good times.I lived with Grandma and Barton for five years growing up and stayed with them often. She was like my mother. She taught me to love the Lord. I respected and love her very much! I could call anytime for a recipe or just to cry on her shoulder.She was my touch stone. I know time will ease my pain. I'm glad your not suffering here on earth but with our Lord and Saviour forevr. You will be missed but never forgotten. Love,
