“ *To all of the Family,*

We are so sad to hear of Gene's passing and sorry that we did not learn of it in time to attend his services. I remember Gene most from those days of long ago when we all gathered at Maw Maw and Paw Paw's house for wonderful Sunday dinners and holidays. There were so many kids that you could always find another kid either your age or close to it. Gene was one of the ones from the middle, as he was in Uncle John and Aunt Floyd's family.

We miss those days and we'll miss Gene. You all have our sympathies and condolences.

“ *Steve,I was so saddened to learn of the death of Gene. I just found about it today, September 11, 2011. We have really been through some sad times haven't we? I miss the good old days of playing piano and soft ball in your front yard - with me watching. I would like to stop by sometime for a visit to see what you have done to the family home. You, Rusty, and Mark are in my prayers. Jim*
