“ *Oh, I have so many sweet and fun memories of teenage years in Caldwell with Frances. She was in love with Bill and we all knew it was real love -- not puppy love like the ones we had! Frances was always so nice and sweet and seemed much wiser than the rest of us. I kept up with her and her family through my parents, the Gowen's, and there were always positive reports about Frances! I always wanted to go and hear the Granny's Kitchen perform but never had the opportunity. To all of Frances' family I offer my deepest sympathy. I was happy to see Donald at my sister's burial in Forrest Park just a few weeks ago. It conjured up a lot of good memories of days past.*

“ *My deepest sympathy to Ms Francis family and many friends. I rented from her and Mr Billy and worked for Ms Francis on their rent houses. They were two of the most gracious, kind people I've ever had the pleasure of knowing. When my husband and I finally were able to purchase our own home they were sincerely happy for us. I know Ms Francis will be missed by many. God Bless her family during this time.*

“ Greg, Ronnie and family, Sorry for the passing of your mother. I have lots of memories when she was our room mother, when Greg was in my second grade class at Caldwell school.
