“ *Sissy, it has been years since I saw you. You are in heaven with the rest of your family.*

I'm so glad we are cousins and I wish things would've been different. I've learn a lot about the Frymire family and I wish I could've grown up around y'all. I won't be in attendance because of my arthritis. I creep around now. I inherited this from my mother Geneva Frymire Skelton. Take your angel wings and fly in heaven

much love, Ann Skelton Newton-your cousin.
