“ *I remember, it was the last snow before momma passed away, Gary asked me if I knew how to make a snowman. I said no, then got dressed and bundled up to go outside with him. We spent almost an hour building this massive almost 7ft tall snow bunny. Then our dog, Cody, came and peed on his cotton tail. It was hilarious. Huge white bunny with a yellow tail. It took ove a month before it melted all the way. Gary was a great dad. Im glad momma chose him. Im glad he was in my life.*
