“ *I've known Geneva for as long as I can remember. When I was a little girl, Geneva and Bobbie lived by us. They were teens at that time and were always so nice to me. I thought they were the best! I've enjoyed visited with Geneva on facebook and comparing our old family pics. I know you will miss her deeply. Prayers for all.*

“ *Neva and I met under unusual circumstances at a clerk's convention in 1991 and soon became fast friends. She was a wonderful person and we always had such good times together. I am so sorry that I did not know of her passing until it was too late or I would have been there. I feel like I have lost a sister. My thoughts and prayers to Wayne and the boys in their loss.*

As a school mate, we shared many fun time's together, Geneva was a year older than myself, we were in drill team together, so we road the bus to games, and would yell and sing, till we couldn't speak sometimes. Our drill team was the best in the county, we got ask to different events, so we girls where always helping each other, with our hair, nails and straight collar's, sharing stories, Just having fun, that's what the girls did back then have fun. Geneva was one to help anyone who needed encouraging. i shall miss my friend, each day she lifted me up with words of wisdom. ~ RIP Geneva ~
