“ *Aunt Debbie... I do not even know what to say. I miss her so much. Today I texted her not realizing it. I wanted to talk to her so badly. My heart hurts and always wonder why. I hope that Gina has finally found peace with her daddy. We will be there to hold your hand and help you through this, no matter where we are. I cannot find the words but know that she is the angel on your shoulder and she will always be with you. We love you and the boys!

“ *Debbie, so sorry for your lost. You know we often ask WHY?, but daddy also told me things happen for a reason, even though we don't understand. May God be with you and help you through this time of sorrow. Wish I could have been there for the service, but it was not possible.*

“ *Debbie, my heart goes out to you at this time of sudden sorrow. I pray that with time your heart will heal as it did with Jimmy's death. I know the hurt will always be there, but God will help you get through the tough times ahead. When I think of Gina, I always see this little three year old girl with golden curly hair and a big smile on her face. If I can do anything for you just let me know. God be with you, and keep you strong.*
